

Announcing a whole new range launching January 2020!

The Dungeon Books of Battle Mats will be released in January 2020. This is the first in our new range of modular book sets, and follows a Kickstarter campaign supported by 5300 backers.

- Two books of complimentary modular RPG battle maps
- Dungeon themed
- Endless options – All the pages line up to create limitless maps!
- Wipe clean
- 1 inch grid throughout
- 360° spine gives handy lay flat format and folds in half if space is tight.
- Play map pages individually or line up to create play area of 24"x24"
- Books fit in your bag and on your shelf!

Alongside the Dungeon Books of Battle Mats January also sees the launch of The Little Book of Battle Mats – Dungeon Edition.

- 6"x6" book of RPG Battle Mats
- 360° spine gives handy lay flat format and folds in half if space is tight.
- 1 inch grid throughout
- Adds rooms, corridors and entrances where you need them
- Play on the go with the map book that fits in your pocket!

And finally you can now customise any of our laminated map books with our new Add-On scenery for RPG Battle Maps (Dungeon Decorations)

- Pack of 5 A4 sheets of static clings
- Add furniture, architecture, danger and treasure in seconds!
- Work with any laminated RPG battle map
- Never lose their stick!
- Prepare maps ahead of time or surprise your party mid game
- Simple, stylish timesaver for GM' & DM's
