

Loke Battle Mats®

The Giant Book of Sci-Fi Battle Mats & Big Book of Sci-Fi Mats Launch March 25th 2019

Attention Adventurers! The game is afoot, and this time it's out of this world!

From the publishers who brought you 2018's UK Games Expo Award winning Big Book of Battle Mats (Winner of the People's Choice Best Accessory) and the A3 Giant Book of Battle Mats come two new tomes of Sci-Fi inspired Battle Maps!

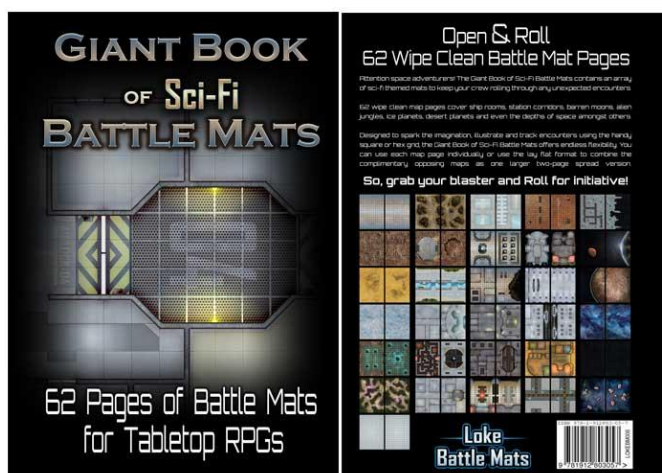

Available in two size formats to suit all needs, the Sci-Fi Battle Mat Books are a Must have for GM's, saving the need to produce maps for every possible game scenario. Let yourself be drawn into new worlds on a host of Maps which fire the imagination as you adventure across the Galaxy with Loke BattleMats!

The First open and Roll Sci-Fi Books to be published, these unique products mean the GM's & players of Sci-Fi RPG's can now enjoy all the benefits that the Big & Giant Books of Battle Mats bring to the Fantasy RPG players!

Designed to keep your game rolling, even in the tightest of table spaces, Loke BattleMats range of Books offer unique flexibility. Books lay 100% flat to double the map size, or can be used one page at a time for smaller encounters or where space is tight thanks to the wire bound spine. Books feature modular designs which can line up across multiple books for a really epic adventure!!

- Handy Portable A4 & larger Maps A3 format
- 60 (A4) or 62 (A3) wipe clean Battle mat pages for RPG encounters
- Sci Fi themed
- 1-inch Grid or Hex throughout – designed for use with miniatures
- Complimentary maps on opposing pages creating the option of larger maps
- 360-degree wire bound spine for lay 100% flat format – robust and designed for durability & flexibility
- Designs ranging from starscapes, space stations, asteroid fields, alien planets, ruined space ships and more.

The Big Book of Sci-Fi Battle Mats and the Giant Book of Sci-Fi Battlemats will be available from March 25th from your FLGS or online from www.battlemats.co.uk.
